

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL MEMORANDUM**

**HB 2035 – SB 2644**

February 13, 2018

**SUMMARY OF ORIGINAL BILL:** Deletes the requirement that the board of commissioners for water and wastewater treatment authorities include a member from the field of law.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

**SUMMARY OF AMENDMENT (012987):** Deletes all language after the enacting clause, except for the effective date clause. Requires a board of commissioners for a water and wastewater treatment authority that does not provide water service to include a person of good standing and reputation in each of the following fields: engineering, industry, commerce, and finance.

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Unchanged from the original fiscal note.**

Assumptions for the bill as amended:

- Under current law, pursuant to Tenn. Code Ann. § 68-221-605, the governing body of a water and wastewater treatment authority is required to consist of five members and include a person of good standing and reputation from the fields of engineering, law, industry or commerce and finance.
- The proposed language would require boards of water and wastewater treatment authorities which do not provide water to include only a person of good standing and reputation from the fields of engineering, industry, commerce, and finance.
- The proposed language will not alter the number of members serving on the board of such authority; therefore any fiscal impact to local government is estimated to be not significant.
